## Description

Fuse Replacement and Custom Kits help reduce downtime by providing mobile storage and organization for replacement fuses. The FRCK Series provides a custom solution that can be filled with multiple fuse series that are more common or specific to your needs or application.

## Features/Benefits

- Custom sized compartments fit various fuse series
- Large kit features a convenient handle for carrying
- Kits are sold empty for complete customization
- Each kit comes with a blank label on the inside cover so users can write in part numbers or use bar code labels to help with refills.
